SeaLife Hires Ray Bullion as Sales Rep for Southwest Territory

MOORESTOWN, NJ - SeaLife has appointed Ray Bullion to service and support SeaLife's dealers in Southern California, Nevada, New Mexico, and Arizona. He officially started on January 1, 2022.

Ray has been diving since the 70's he began teaching in 1981 while stationed in Guantanamo Bay, Cuba, his passion for photography followed him underwater as well. While on Active duty he worked teaching and as a service technician for dive stores in Florida and California. Ray retired from the US Navy in 1994 as a Senior Chief Electronics Technician and entered the SCUBA industry full time as a Manufactures sales rep. His passion is still underwater photography and during COVID he has expanded to Astro photography since dive travel was limited by COVID.

Currently residing in Henderson, NV. Ray is still an avid diver and underwater photographer bringing 27 years of experience for all to work with; he has conducted many equipment and

About SeaLife:

SeaLife Underwater Cameras are designed and created by Pioneer Research in Moorestown, NJ and were first introduced in 1993. In 2000, SeaLife developed the world's first digital underwater camera. In 2007, SeaLife developed the first non-housing digital underwater camera, and in 2013 SeaLife introduced the Sea Dragon underwater lighting system and its innovative Flex-Connect tray, grip, arm, and mounting accessories. In 2014, SeaLife introduced the Micro HD, the world's first permanently and fully sealed digital underwater camera, followed by the new Micro 2.0 in 2015 and the cutting-edge DC2000 underwater camera in 2017. In 2019 the company expanded into ultra-compact underwater cameras with its ReefMaster RM-4K, and the full-featured Micro 3.0 camera. In 2020 SeaLife launched its SportDiver underwater housing for smartphones, the first dive housing for phones to use its own exclusively designed smartphone app.

SeaLife cameras, lighting and accessories are sold and serviced in over 60 countries around the world. For more information visit www.SeaLife-Cameras.com
